MILITARY DEPARTMENT

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following:—

Proceedings of the Madras Government, Public Works Department.

Read the following letter from the Acting Superintending Engineer, 4th Division, Madras, 30th May 1863, No. 406; to the Secretary to Government, Public Works Department.

1. With reference to Government Order No. 1327 of the 23rd May 1863, I have the honor to report that the work of laying earthen pipes from the Parcherry Barracks to the Saint George's ditch in the Fort, was commenced under orders from the Major General Commanding the Division, "as an emergent work seriously affecting the health of the Troops;" and in accordance with Chapter 24, paragraph 12 of the new Code.

2. Under these orders, the Acting District Engineer had no alternative, but to put the work in hand forthwith. The work is an improvement on the existing means of drainage that suggested itself lately to the Major General; it has no connection with the new Barracks; but was ordered for the benefit of the people occupying the old Parcherry; the question in the Military Department regarding no provision in the original Estimates, must have been put under a misconception of the nature of the work.

ORDER THEREON, 8th June 1863, No. 1464.

Communicated to the Military Department, with reference to the Orders in that Department, No. 1619, dated 16th May 1863.

(True Extract.)

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.

ORDER, No. 1995, 19th June 1863.

The work in question is approved for immediate execution.
