*Proceedings of the Madras Government, Public Works Department,
29th June 1863.*

No. 644. Read the following letter from Captain O. W. S. CHAMBERS, R. E., Superintending Engineer 1st Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Department Public Works, dated Waltair, 5th June 1863, No. 164:—

SIR,

1. I have the honor of submitting an original letter from the Acting District Engineer Godavery with an Estimate of the cost of the Conservancy Establishment in that District for the present year, amounting to Rupees 9,108, and to request the sanction of Government to the same.

2. This amount, Rupees 9,108, is in excess by 180 Rupees of the amount entered in the Budget for 1863-64 for the Range Conservancy Establishment at the Godavery; this excess 180 Rupees is due to a travelling allowance purposed to be made to the Superintendent Ellore Canal, but which Major Stoddard expects to save on the total of the travelling allowances (Rupees 1,100) granted in the Budget (page 43) to the Navigation Superintendents; so that though Rupees 9,108 may be sanctioned by Government to avoid complications with the Controller, only 8,928 Rupees, the amount actually standing in the Budget, will be expended. Major Stoddard in his Estimate has somewhat modified the nomenclature, numbers and salaries of the Conservancy Establishment, to which course the sanction of Government is requested, as on the whole they will be put to no extra expense.

No. 645. ORDER THEREON, 29th June 1863, No. 1,701.

The Estimate* of Conservancy Establishment submitted with the foregoing letter is approved in supersession of that entered in the Budget of 1863-64, the details of which appear at pages 39 to 41 and 43 of the printed Budget. The Government must remark, however, that if alterations in the number, salaries, &c., of the Establishment in question were necessary, sanction should have been obtained in sufficient time to admit of their being attended to before the printing of the Budget. The charge of Rupees 180 provided for in the Estimate now sanctioned on account of travelling allowance for a Navigation Superintendent will be defrayed in the manner proposed.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.

1 Letter

Sir,

N. 16 of 30th May 1853.

I have the honor of submitting
an original letter from the Engr. District
Engineer Godavery with an estimate
of the cost of the Conservancy Establish-
ment in that District for the present
year amounting to Rs 9108, and to
request the sanction of Government
to the same.

2. This amount Rs 9108 is in
excess by 180 Rs of the amount entered
in the Budget for 1853/54 for the Range
Conservancy Establishment at the
Godavery; this excess 180 Rs is due to
a Travelling allowance proposed to be
made to the Superintendent Ellore
Canal, but which Major Stoddard
expects to save on the total of the
travelling allowances (Rs 1100) granted
in the Budget (page 43) to the
navigation.

Navigation Superintendents; so that
though Rs 9108 may be sanctioned by
Government to avoid complication
with the Controller, only 8928 Rs the amount
actually standing in the Budget will be
expended. Major Stoddart in his
Estimate has somewhat modified
the nomenclature, numbers and salaries
of the Conservancy Establishment, to
which course the sanction of Government
is requested, as on the whole they will
be put to no extra expense.

I have the honor to

Sir,

Your most obedient

Ab. Chamberlain Capt. R.
Supg. Engr. P. B. D.
