JUDICIAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from J. FRASER, Esq., Acting Magistrate of North Arcot; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Palamaner, 8th June 1863, No. 12.

In order to acquaint Government with what has been done in the District towards the construction of Subsidiary Jails for the confinement of short sentenced prisoners, I have the honor to state that on the 26th January last, I requested the District Engineer to frame estimates for building five lock-ups at the Stations noted in the margin, but up to this date I have not been furnished with them.

From J. FRASER, Esq., Acting Collector of North Arcot; to the District Engineer of North Arcot, dated Konga Nellor, 26th January 1863.

With reference to a late order of Government limiting the number of Subsidiary Jails in each District to four or five at most for the present, I have the honor to request that you will have estimates prepared immediately for five of these buildings, viz: at Tirpaty, Chittoor, Palamaner, Vellore, Arni.

2. The first would receive short sentenced prisoners from the Zemindary tracts and Chendragery; the second from the Chittoor Talook only; the third from Palamaner and Poonganur; the fourth from Wallajah, Gooriatum, Vellore, Arcot, and Kungoondy; the fifth from Arni, Wavast, and Pondor. These Subsidiary Jails should be attached to or within a few yards of the Sub-Magistrate's Cutcherry at each Station, and as they are intended for the confinement of Convicts only and not of prisoners under trial, they need not afford accommodation for more than

12 males and 6 females* at each place, the sexes to be confined in separate rooms which should be well ventilated and not communicate with each other, and contain provision for the inmates relieving the wants of nature at night without defiling the ward itself or tainting the air of it.

3. As the estimates for these buildings have to go up for Government sanction, and the accommodation is much required, I trust you will be able to prepare them speedily.

(Signed) J. FRASER,
Acting Collector.

ORDER THEREON, 19th June 1863, No. 964.

Referred to the Public Works Department for the issue of the necessary orders.
