No. 687. Read the following letter from Major J. C. ANDERSON, R. E., Superintending Engineer 2nd Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Department Public Works, dated Ojili, Nellore District, 17th June 1863, No. 29:—

SIR,

1. Referring to the Order of Government No. 1,418, dated 3rd instant, requiring information whether the implements for which a Store shed had been estimated for at Nellore could not be secured in the District Engineer's Store yard, I have the honor to report that there is barely room in the latter for the District stores. An Estimate for 8,350 Rupees for enlarging the Workshop and Store shed\* was sanctioned, but no expenditure has yet been allowed.

\* Proceedings of Government, No. 2,933, dated 8th December 1862.

2. The small Store shed for which an Estimate was submitted with my letter No. 13, dated 23rd May 1863, is required to give shelter to Archimedian screw pumps and various other implements, which are liable to be injured if exposed in the open air; and as the proposed outlay is moderate I would beg to recommend its sanction.

No. 688. ORDER THEREON, 30th June 1863, No. 1,723.

As only one Store-keeper is to be allowed to each Division the Superintending Engineer is requested to report at what station the stores belonging to the Districts comprised in the 2nd Division are to be kept, and whether, under the altered circumstances of the case, the small Store shed referred to in this letter will still be required.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,  
Secretary to Government.
