*Proceedings of the Madras Government, Public Works Department,
1st July 1863.*

No. 2. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer 3rd Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Royachoty, 16th June 1863, No. 32:—

SIR,

1. With reference to paragraph 6, Proceedings of the Right Honorable the Governor General of India, Public Works Department, received with Order of the Madras Government, No. 1,492, dated 10th June 1863, I have the honor to renew my application for a grant of Rupees 6,510 from the Reserve Fund for the maintenance of the new road lately opened from Royachoty to Punganoor in the Cuddapah District.

2. In their Order No. 1,039 of the 27th April last, Government declined sanctioning this grant from the Reserve Fund pending a reply from the Government of India regarding the appropriation of the Reserve Fund for repairs, but the paragraph above alluded to appears to remove the restriction formerly imposed on allotments from the Reserve Fund.

3. The road from Royachoty to Punganoor not having been metalled, is already in want of repairs, and I trust that my application for an annual maintenance allowance will not again be refused.

No. 3. ORDER THEREON, 1st July 1863, No. 1,728.

In the orders quoted, the Government of India have not unconditionally removed the restriction to grants being made from the Reserve for repairs. It is only when the total repair assignment is insufficient to cover the Estimate for the repairs proposed, and the work is of an urgent character, that the Madras Government are empowered to accept the responsibility of ordering the prosecution of the same from the Reserve in anticipation of the sanction of the Government of India. It is necessary, therefore, that in the case of the Royachoty and Punganoor road, the Government should be furnished with distinct information on the points adverted to.
