*Proceedings of the Madras Government, Public Works Department,  
2nd July 1863.*

No. 24. Read the following letter from Captain H. L. PRENDERGAST, R. E., Acting Superintendent Engineer 4th Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Madras, 24th June 1863, No. 781 :—

SIR,

1 Letter No. 208, dated 18th June 1863, with three enclosures.  
1 Letter No. 4,599, dated 12th December 1862.

1. I have the honor to forward a letter from the Officer in charge of the North Arcot District, requesting the removal of Assistant Overseer J. Franklin.

2. By a letter of yours' to the Deputy Chief Engineer, Centre Circle, No. 4,599, of the 12th December 1862, this man was placed at the foot of the list of Assistant Overseers, and warned that a recurrence of misconduct would result in his dismissal from the Department. It is clear from Captain Rogers' statement, that Assistant Overseer Franklin has been doing next to nothing for a period of six weeks: the two plans which are wretchedly done, I also observe, are pricked through the paper, and consequently there is not one day's work in them.

3. In the 2nd paragraph of your letter adverted to, a special report is called for of the Assistant Overseer's conduct at the expiration of three months: this report, due in the middle of March, appears not to have been furnished.

4. I cannot but support Captain Rogers' application that Assistant Overseer Franklin should be removed from the District; and there appears to be no alternative but his dismissal from the Department.

No. 25. ORDER THEREON, 2nd July 1863, No. 1,739.

The Superintending Engineer 4th Division will be requested, agreeably to the rules of the service, to furnish Mr. Franklin with a copy of the charges preferred against him, and to submit his defence for the orders of Government.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,  
Secretary to Government.

Acting Deputy Chief Engineer  
Central Circle

Sir,

With reference to Captain  
Neumayr's letter N<sup>o</sup> 196 dated 25<sup>th</sup>  
November 1862, I have the honor  
to request that you will be good  
enough to instruct the Acting  
District Engineer North Arcot  
to inform Assistant Overseer Fraustlin  
that his conduct in connection with  
the works of the Poinery Project has  
been most unsatisfactory, and  
that a recurrence of the same  
will result in his dismissal from  
the Department.

2. For the present he will be placed at the foot of the list of Assistant Overseers, and a special report of his conduct should be submitted at the expiration of three months from the date of this letter.

3. As respects the Sub Overseer (Parthasarthy) adverted to in para 4 of Captain Seidway's letter, I am willing under the circumstance reported by Mr. Dopping to pass over his negligence, but I request that he may be warned to be more careful in future in the performance of his duty.

I have the honor to be,  
Your Most Obedt Servt.
