*Proceedings of the Madras Government, Public Works Department,
3rd July 1863.*

No. 48. Read the following letter from Captain H. L. PRENDERGAST, R. E., Acting Superintendent Engineer 4th Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Madras, 27th June 1863, No. 830 :—

SIR,

With reference to the Proceedings of Government No. 1,502, dated 11th June 1863, I have the honor to report, that as the Estimate for the Papairy small tank in the North Arcot District was within the competence of the Deputy Chief Engineer to sanction, the work was authorized on the 25th March last, but inadvertently included in the list of Estimates entered in my letter No. 359, dated 28th May 1863. A Bill for the work has already been sent to the Controller and Auditor of Public Works Accounts and passed by that Officer, and under these circumstances it will not, I conclude, be necessary for me to submit the Bill to Government for sanction.

No. 49. ORDER THEREON, 3rd July 1863, No. 1,750.

Ordered to be recorded.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.
