From

To

Colonel W. S. Birdwood P. E.

Secretary to Government P. M. S.

Sir,

In reply to para 2 of the Orders of Government 27th April 1863 N^o 1042 I have the honor to inform you that the delay in the submission of the bill was in a great measure owing to the neglect of Teeroovengadum an Auditor then attached to the Northern Circle Office. When this neglect was brought before the Chief Engineer in December last, Teeroovengadum was very severely reprimanded and fined, which fine however, on his having been reported as working during the Christmas holidays to get up the arrears, was remitted. This reprimand seems to have had a good effect, as since I have been in the Office, with the exception of his not bringing this and another bill to my notice, I have always found Teeroovengadum very diligent and taking into consideration that this Auditor has been reduced from Rupees 150 a month

month to Rupees 100 I trust Government
will not consider it necessary to carry out
the punishment ordered in the latter part
of their paragraph under reply.

I have the honor to be

Sir

Your Most Obedient Servant

Williamson Captain R.E.
