HONORABLE SIR,

1. With reference to the Order of Government in the Public Works Department, dated 5th May last, No. 1,140, we have the honor to state that we are unable to recommend that higher salaries than those mentioned in our letter dated 15th May 1863, should be assigned to any of the Examiners and Auditors in the salary branch of the Audit Establishment.

2. Whether the three servants lately transferred to that branch from the Civil Paymaster's Office should be allowed to draw the difference between their former salaries and those assigned by us to their appointments, is a question for the consideration of Government. We would only observe that they are not the only sufferers by the recent changes, and that we do not see that they have claims to be treated differently from others in the same position.

We have the honor to be, &c.,
