Read the following letter from Lieutenant-Colonel S. O. E. LUDLOW, Acting Consulting Engineer Irrigation and Canal Company, to F. AGNEW, Esq., Agent and Manager Irrigation and Canal Company, dated Saint Thomé, 25th June 1863, No. 102.

SIR,

1. In paragraph 2 of your No. 311, of the 22nd instant, you request my re-consideration of the change proposed by you in the period of rendering your cash and store accounts, but in my letter No. 404, of the 9th April last, I requested to be favored with your reasons for this change and the modification you would wish to be made in the present system of accounts to carry out your views; and your early attention to the same was requested in my subsequent letters of the 30th April and 20th May 1863, Nos. 448 and 34, but no reply has been received as yet from you. I regret therefore that I am unable to give any opinion on the subject until I am furnished with the particulars required from you.

2. In the meantime I beg to inform you that as regards your past accounts, which are in arrears from September 1862, I shall have no objection to both the cash and store being prepared for a same period either quarterly or for any number of months it may be convenient to you, instead of the cash accounts being prepared for one period and the store accounts for another.
