Official Memorandum.

The Secretary to Government has the honor to inform the Superintending Engineer 4th Division with reference to his letter N 1334 of the 28th Instant that full provision need not be made in the Estimate on account of the Secretariat Establishment as a sum of Rupees 2146 is provided for it in the Financial Budget Pt II. The portion to be charged to the Public Works Budget is only Rupees 2142 ^{per annum and} one twelfth of this sum or Rs 178-8- should be included in the future monthly Estimates.

~~In the list of officers for whom provision is stated to have been made the name of the Barrack Master occurs. Colonel Baidam is requested to state the reason of this as nothing is recommended by the Committee for that officer.~~
