*Proceedings of the Madras Government, Public Works Department,
13th July 1863.*

No. 267. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E.,
Superintending Engineer 7th Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to
Government Department Public Works, dated Coimbatore, 7th July 1863, No. 40 :—

SIR,

1. I have the honor to report that I communicated to Mr. Sub-Engineer Williams on the
1st instant, the orders of Government removing him to the
<sup>1 Letter from Sub-Engineer Williams,
dated 2nd July 1863.</sup> Nellore District; and that on the following day he submitted
through Major Farewell the accompanying application for,
permission to retire from the service of Government and to be placed on the Pension list. There
being little doubt but that his long, useful, and active services have fully earned him the boon he
craves, Major Farewell and myself are of one accord in recommending that his application be
complied with. On receipt of authority for the same, the necessary form will be submitted on
his behalf.

2. Hitherto Major Farewell has been allowed the services of Mr. Williams to assist on the
general duties of the Range and in the conduct of surveys. A Taluq Overseer will replace him in
the former duties; the latter, which are totally unconnected with this Department, should be re-
mitted to the Revenue or Revenue Survey Department. I object very much to Major Farewell's
being hampered by them; considering, as he himself does, that his proper duties require all his
attention. For his assistance on the Lawrence Asylum, works Major Farewell claims to retain
the services of Mr. Supervisor Wiffen, and I am not prepared to gainsay him, provided another
Supervisor is allowed me for charge of the 6th Range of Coimbatore District. Having already
recommended Mr. Overseer McDonough for promotion, I venture to solicit on his behalf the
promotion to Supervisor, which must be made as one consequence of Mr. Sub-Engineer Williams'
retirement. Your orders on this point are requested at an early date to enable me to conclude
and report the details of the new arrangements made in Coimbatore District.

No. 268. ORDER THEREON, 13th July 1863, No. 1,857.

1. The Superintending Engineer 7th Division will be requested to submit to the Chief
Secretary to Government a Pension Roll in the prescribed form on behalf of Mr. Sub-Engineer
Williams.

2. The Government are unable to allot an additional Supervisor to the Coimbatore
District.

3. In G. O. No. 1,779, dated 6th July 1863, Sub-Conductor McDonough was appointed
Acting Supervisor 2nd Class and transferred to the Tanjore District.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.
