P. Murray has employed under me as
a Sub Marine 1st Class for a period of 2 1/2
years. I have had occasions to find
fault with him by and through the way he carried
on his duties more especially during the
first part of the time he was under me but
I am glad that lately he
has much improved and shown much
zeal and intelligence in the discharge of
his duties. On the ground therefore of
his improved conduct lately and
considering the long period - 15 years -
he has been in front of me. And now
being suddenly thrown on the world.

on the reorganization of the U.S.A.
I should be glad to see him interested
in the new Dept of works &c
I stay on line and hope this
testimonial may prove of service
to him in obtaining the post.

Superintending Engineer & Dir

Sir

I beg very respectfully to enclose
for your kind perusal, a testimonial given
me by Major W. H. H. H. late 1st Ass't Dir

that, having a large family dependant on
me for support, I find the greatest
difficulty to provide them even with the
common necessities of life owing to my
being unemployed just now. I humbly beg
therefore you will be pleased to take my
deplorable case into your kind consider-
ation, and bestow on me an appointment
in your Division. if not, as I am willing
to go any-where, I beg you will be
pleased

pleased to recommend me to any other
officer for employment as a Salary
Officer.

I have served in the Dept.
for a period of nearly 15 years, and
I now find it a great hardship
to be thrown out of employment by the
re-organization of the Department.

I beg to remain

Respectfully,
22nd July 1863

Yours most obed^t & humble serv^t
