*Proceedings of the Madras Government, Public Works Department,
14th July 1863.*

No. 315. Read the following letter from Captain J. GODDARD, R. E., Executive Engineer Bangalore, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Bangalore, 4th July 1863, No. 95 :—

SIR,

1. In reference to your Telegram of yesterday's date, received this morning, requiring me to report the amount of Estimate for Hospital for New Dragoon Barracks, to submit the Plan for the same and report how much work is done, and further to report why the Ulsoor Water project stopped. I have the honor to enclose all the Estimate and Plan ever made over to me

for Hospital,* also to report that it was not contemplated by me to commence the Hospital until next year or perhaps even one year later, because the Military authorities seemed anxious few months ago that the Married Quarters

should be erected before any of the buildings now remaining to be constructed, furthermore it will be more systematic to erect the Married Quarters before the Hospital as they stand between the Hospital and the 8 blocks of Barracks, &c., already constructed, and furthermore because it is proposed to adopt No. 8 Range already nearly furnished as a Hospital in obedience to Proceedings of Madras Government dated 10th June 1863, No. 1,492, warning me against providing accommodation in excess of the requirements of a Regiment of Dragoons of the present strength (viz., 7 Troops.) No work has been done as yet.

2. Ulsoor Water supply project was stopped in obedience to Proceedings of Madras Government No. 1,158, dated 6th May 1863. Please send instructions by Telegram whether or not I am to proceed with the Ulsoor Water project.

No. 316. ORDER THEREON, 14th July 1863, No. 1,881.

1. Ordered that the following telegram be sent :—

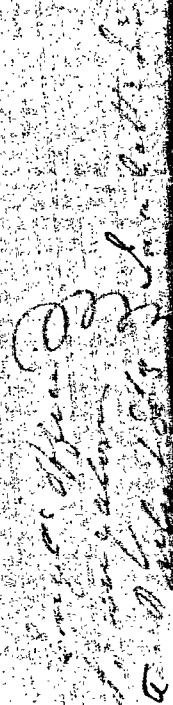

To Captain Goddard, Bangalore.

“ Proceed with Ulsoor water supply project. Funds will be shortly provided for the work. How many men does the Hospital provide for.”

8th July 1863.
