*Proceedings of the Madras Government, Public Works Department,
14th July 1863.*

No. 321. Read the following letter from Captain O. W. S. CHAMBERS, R. E., Superintending Engineer 1st Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Waltair, 4th July 1863, No. 348:—

SIR,

No. 1,671 of 25th June 1863. I, With reference to the Order of Government as per margin, desiring me to report whether a saving might not be effected in the amounts allotted in Part 2 of the Budget under any other head than that of Accommodation for Troops, for the purpose of finding funds for the execution of certain Military repairs and minor improvements at Waltair, I beg to state that the allotment under all heads to the Vizagapatam District is so small that I can see no head from which funds can be made available except the discretionary allowance, Rupees 1,500, and this I do not think is an allowance meant to be applied to the repairs of Military buildings.

No. 1,662 of 25th June 1863. 2. The Order of Government as per margin, allots a sum of 300 Rupees to the District of Vizagapatam for minor new or emergent Military works, and were it not for the instructions conveyed by Government, that this additional grant from the Reserve should not be appropriated to repairs, I should request permission to carry out the Military repairs and additions above specified from this grant.

No. 322. ORDER THEREON, 14th July 1863, No. 1,884.

The Superintending Engineer 1st Division will be requested to include the additional sum required for repairs in the Vizagapatam District in the Statement called for in paragraph 5 of G. O. No. 1,748, dated 3rd July 1863.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
