*Proceedings of the Madras Government, Public Works Department,
15th July 1863.*

No. 339. Read the following letter from Captain H. L. PRENDERGAST, R. E., Acting Superintending Engineer 4th Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Madras, 29th June 1863, No. 858:—

SIR,

1. I have the honor to submit, for the orders of Government, an Estimate of Rupees 2,000 for widening and improving the branch channel of the Cuddoopenangle tank, &c., in the North Arcot District.

1 Letter No. 2714, dated 20th April 1863.

1 Abstract Estimate.

1 Section of Tank.

2. This work was commenced by Mr. Dopping, and afterwards continued by Captain Vertue, as he found that it could not be stopped without great loss, the channel being the source of supply to eight tanks. The expenditure on the work up to the 30th April 1863 amounts to Rupees 737, and the balance required for 1863-64 is Rupees 1,263, which I recommend may be granted from the Reserve Fund.

No. 340. ORDER THEREON, 15th July 1863, No. 1,892.

The Estimate is sanctioned. The sum of Rupees 1,263 required for the current year will be met from the Reserve Fund.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.
