*Proceedings of the Madras Government, Public Works Department,
15th July 1863.*

No. 341. Read the following letter from Captain F. J. MOBERLY, R. E., Superintending Engineer 8th Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Department Public Works, dated Madura, 6th July 1863, No. 85 :—

SIR,

1. Referring to paragraph 3 G. O. No. 163 of the 13th February, I have the honor to report that the Devadhanaputty Pass is a mere track, and a complete trace will be required to render the communication even moderately good.

2. To do this I have no Officer or Overseer available, or funds to make even the preliminary investigation, it will be impossible to prepare any thing in time for the Budget of 1864-65, but if some small amount of money can be spared I will see what arrangements I can make after the north-east monsoon is over, and we are able to get fairly at the work which would now be frequently interrupted by rain.

No. 342. ORDER THEREON, 15th July 1863, No. 1,893.

1. Communicated to the Public Department, with reference to paragraph 3 of Proceedings of that Department, dated 13th February 1863, No. 163.

2. When the Superintending Engineer reports that he is in a position to make arrangements for the preliminary investigation referred to, and submits an Estimate of the amount required for the purpose, the Government will grant the necessary funds.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.
