*Proceedings of the Madras Government, Public Works Department,
15th July 1863.*

No. 347. Read the following letter from Captain F. J. MOBERLY, R. E., Superintending Engineer 8th Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Department Public Works, dated Madura, 2nd July 1863, No. 62:—

SIR,

1. I have the honor to report that I propose to appoint as Estimate maker in my Office R. Nagalingum Pillay, a man who after serving under various Officers was summarily dismissed by Captain Ryves on the 19th April 1859, on suspicion that without his cognizance Sub-Overseer Renga Row could not have committed the frauds which came to light after the sudden death of Major Marshall.

2. The Deputy Chief Engineer in his No. 10,214 of 11th February 1860, upheld Captain Ryves' decision when appealed against by Nagalingum Pillay.

3. I cannot however find anything that substantiates, what at most appears to have been a suspicion, and Captain Ryves seems also to have been satisfied, either that the man was innocent, or had been sufficiently punished, and appointed him, in August 1861, a temporary Sub-Overseer; since which time the District Officers all speak well of his conduct.

4. As however he has been dismissed from the service, I am anxious that the sanction of Government should be accorded before I re-entertain him in the Department in an appointment for which he appears to be well fitted.

No. 348. ORDER THEREON, 15th July 1863, No. 1,896.

The Superintending Engineer 8th Division will be requested to report whether Nagalingum Pillay has passed the examination prescribed for Estimate makers, and to forward the papers relative to his dismissal.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.
