*Proceedings of the Madras Government, Public Works Department,
15th July 1863.*

No. 353. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer 3rd Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Cuddapah, 29th June 1863, No. 51 :—

SIR,

1. I have the honor to submit for the favorable consideration of Government an original letter from Captain Babington, late Acting District Engineer Bellary, soliciting employment in the Public works Department as newly organized.

2. I am not aware whether any arrangements have been made for supplying Captain Fisher's place until his return from leave, and I therefore venture to suggest that Captain Babington be allowed to act for him in one of the Ranges of the Bellary District with which he is so well acquainted.

No. 354.

ORDER THEREON, 15th July 1863, No. 1,899.

Ordered to be recorded.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.

Mellary 26th June 1863

From Captain R. C. Mabington
Acting District Engineer of Mellary

To
Colonel Newery
Sup^y Engineer 3^d Division

Sir,

I have the honor to request that you will lay before the Secy to Government in the P. W. D. my respectful application for employment in the Department under its new organisation.

I entered the Department in 1852 since which period, with the exception of 15 months passed on leave, I have served continuously a longer period of service than any other line officer.

I have reason to believe that my work has given satisfaction and trust that Colonel Walker and Captain Fisher will bear favorable testimony to my conduct while serving under them.

Hoping that Colonel Birdwood will take my application into favorable consideration.

I have the honor to be

R. C. Mabington Captain
Acting District Engineer
