Sir,

Enclo

With reference to your Memorandum, No. 202 of 29th June 1863, I have the honor to enclose a statement which shows the manner in which the several appointments in my office have been filled up.

2. I attempted to provide for the best men at the Ordnance, knowing how essential it is to have my office filled from the three Districts constituting the Division, but have been unable to induce any one of them to leave that District.

I have the honor to be,
Sir,

Your most Obedt

Orb. Chambers Esq

My Dear Sir,

I have the honor under instructions from the Resident, to request the favor of your sending with as little delay as possible a properly qualified man for the situation of Assistant Overseer in the Secunderabad Division, as his services are urgently required on some important works about to be undertaken; it is hoped the man will be steady and have had some experience in building.

I am to request that the Assistant Overseer may be ordered on arrival to report himself to the Executive Engineer at Secunderabad.

Sir
Referring to your Memo No 161 of 29th July 1863. I have the honor of forwarding the accompanying List of unanswered references for the Half Year ending 30th June last as called for.

2 The List contains all the orders which are shown in G. O. No 1485 of 10th June 1863 as remaining on the 30th September 1862 unanswered by this Division and also

also those appertaining to the orders
received in this office between the
1st May and 30th June 1863 inclusive

3 I have not been furnished
with a copy of the Returns sent by
the late Deputy Chief Engineer
Northern Circle for the half year
succeeding that ending 30th September 1862,
I cannot therefore send in a more
complete statement than the enclosed

 P. for September
 No 3584

1/15 February 1856 23^d Calls for certain information with regard to 4 Roads in Rajahmundry

The Civil Engineer (Capt. Randall) sent up Estimates for the following Roads in the Godavery District in February 1856.

1st From Suckondah to Rajahmundry
2^d - Metalling towing path of Paleole Canal

3^d From Kottapilly to Samuleethur
4th From Maddipad to Calcutty

across the Delta - The Govt. returned the Estimate for revision with the remark that they did not consider them as urgently wanted. All the above Roads have been included in the statement recently submitted at the request of the late Chief Engineer in his letter No 1471 dated 17 April 1863.

Permission is now to omit this order (No 265) from the next unamended list of references.

2/28 } Govt. 1857 19th Calls for a revised Estimate for a
2/30 } Do. 1861 16th Metalled road from Tursapur to Attale in Rajahmundry

Major Stoddard states that order No. 2130 of 16th Novr. 1861 has never been received in his office. In reply to the other order No. 2128 dated 19th Novr. 1857 the District Engineer of Godavery (Capt. Randall) stated in his letter to the Deputy Chief Engr. of 5th Novr. 1859 No. 307 that on reconsideration he was of opinion that a canal would be far

It is requested that this reference

150 May 1859 11th Calls for an Estimate for getting up Steamer "Sivellian" purchased for the use of the Godavary District

2524 October 1859 26th Calls for plans & Estimates of the proposed two Workshops at Donlaimaram -
2594 December - 4th

December 59 13th Remarks on Estimate of the value of the Building and ground tendered for sale by Mr. Watson

preferable to a road and accordingly submitted an Estimate for a navigable Canal from Badampudy on the Ellore Canal to Narsapur on the Paleke Canal amounting to Rs. 2,38,200. - This Estimate was ordered to be kept in abeyance till a more favorable opportunity by the Chief Engineer in his Proceedings No 3624 of 10 August 1860. -

3.
may be considered as answered and that permission may be granted its omission from the list for the ensuing half year

An Estimate for Docking and getting up the Steamer "Sivellian" was forwarded to the Deputy Chief Engineer with District Engineer's letter No 1129 of 8th Novr 1860 but was never sanctioned. The Steamer was subsequently handed over to the upper Godavary District Engineer Captain Haig. -

Do - do -

Plans and Estimate for two Workshops were forwarded to the late Central Officer with the Godavary District Engineer's letter No 1581 on the 8th January 1861. -

Will be omitted from the next list which will be due on 31st December 1865 -

The late Chief Engineer Colonel Horsely inspected this building and on his report to Govt. they authorized its

* Vide G.O. No 57 of 17 March 1860

for a Commissariat godown at
Cocoaanada

124 May 1860 30" Para 4 - calls for a report on the
means of keeping open the Godavery
navigation

379 } Decr 1860 12th To submit explanation respecting
April 1861 30" the accounts of the sale of Salt
at the Godavery showing the
loss by wastage if any

purchase for Rs 8000 but the purchase
could not be effected on account of a
dispute as to ownership of the building
Hole G. O No 1234 of 13 June 1860 referring
the matter to the Government Law Officer
at Madras. — A Rent was however
paid for the building by the Commissary
Department — On the order of Govt
Abandoning Cocoaanada as a Com-
missariat Station the Commissary
General gave up the building altogether

Will be on
from the 1st
for the Engr
Half Year

This reference as far as it concerned
the navigation of the Godavery between
Palaveram and Anicut was
replied to by the District Engineer
of Godavery in his letter No 357
of 5th July 1860. —

I request this
order may be
considered as a
to. and permission
may consequently
be granted for a
omission from the
list for the coming
Half year

Major Stoddard states that these
orders of Government ought to have
been sent to the District Engineer
upper Godavery to whom they
properly appertain as the sale of
Salt & establishing of Salt Depôts
at the Godavery were entrusted to
Captain Raig he is the officer to
reply to this reference.

It is requested
that this reference
under the ex-
planation given
by Major Stoddard
may not be held
as an unanswered
one against the
officer. —

24 } Oct } 1859 26th To Submit Estimates for Completing
 24 } Nov } 4th roads & water Communication between
 Cacoanada and Coringa.

This reference was replied to on the 29th
 December 1859 - 1853 and an Estimate
 was forwarded for cutting a Canal
 and making a road from Coringa
 to Cacoanada - A revised Estimate
 for this work was also recently sub-
 mitted -

Will be
 omitted from
 the future
 Lists -

18 March 1861 13th To furnish for Submission to Home
 Government Photographic views of
 the Works in the Godavery and
 Krishna

St. Thompson who was to have
 the views got too unwell to do more
 than a few - Another Amateur has
 since taken some very satisfactory
 ones, which will be submitted to
 Government in the course of a few
 days - St. Thompson has since
 been appointed to take views both
 here and at the Krishna -

Periodical Return Charts of the beds of the Rivers
 Godavery Krishna Cauvery and
 Coleroon.

A Survey for the present year is
 just completed and will be
 sent when plotted -

These charts
 will be
 kept on

20 August 1862 11th To submit a report at the close
 of one season on the result of the
 Shutter to one of the head sluices
 in the Babberunka of the Godavery
 Aqueduct - 1st Division -

The Shutter has been made and
 fitted but as this is the first
 season the result cannot be
 ascertained till the freshes are
 down

Sept 1862 17th Para 5 - To report the number of
 Feb 1863 9th Steam dredges that are actually
 required in the District of Godavery
 Para 7 - To state also what number
 of boats are required for the
 Godavery works

May 1863 18th Calls for a Survey & Estimate of
 proposed Road from Vizianagram
 to Puratipur
