*Proceedings of the Madras Government, Public Works Department,
16th July 1863.*

No. 361. Read the following letter from Captain O. W. S. CHAMBERS, R. E., Superintending Engineer 1st Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Department Public Works, dated Waltair, 7th July 1863, No. 359 :—

SIR,

In acknowledging the receipt of the list of Subordinates to be retained in the Public Works Department, I beg to offer the following remarks.

1. Mr. C. Fouracres, who has lately received a grant of his discharge from the Secretary of State, has written out to this country to say that he has received a good appointment from the Cuttack Irrigation Company ; a vacancy has accordingly taken place amongst the Supervisors, posted to the Godavery, and this, with the approval of Government, I desire to fill up by posting Mr. T. D. Harris, now giving infinite satisfaction at that District, to the Godavery instead of to Vizagapatam.

2. Serjeant Hasler might be posted to the Vizagapatam District instead of to the Godavery should it be absolutely the intention of Government to remove Serjeant Hudson from Vizagapatam to Bellary.

3. But, he, Serjeant Hudson, has had charge of the same Range for some three years and is giving satisfaction ; his removal would not be advantageous and, with all deference, it seems as if it would be a better arrangement to send Serjeant Hasler to Bellary.

4. I regret that only two Overseers* should have been posted to the Vizagapatam District ; with the considerable outlay going on, on roads, it would be desirable to have at least two more ; it cannot be economical to carry on extensive works with Range Officers and Taluq Maistries alone.

5. With respect to this latter class of subordinates no orders have been received by me ; is it purposed to keep them on, now that Taluq Overseers have been appointed ?

No. 362. ORDER THEREON, 16th July 1863, No. 1,903.

1. The Government approve of the transfers recommended in this letter. Mr. T. D. Harris will accordingly be posted to the Godavery District, Serjeant Hudson to Vizagapatam and Serjeant Hasler to Bellary.

2. Taluq Maistries not having been provided for in the scheme sanctioned in Proceedings No. 1,599, dated 18th June 1863, the services of those in the 1st Division should have been dispensed with on the 30th ultimo.

3. The Government have not yet been furnished with Supervisor Fouracres resignation of his appointment in the Public Works Department. On this being done arrangements will be made for permanently filling his place.

4. The Superintending Engineer, 7th Division, will be requested to submit an early reply to paragraph 6 of the Proceedings of Government quoted above.
