From the Quarter Master General, Fort Saint George, 20th June 1863, No. 5164; to the Secretary to Government, Public Works Department.

I have the honor, by order to return, with the approval of His Excellency the Commander-in-Chief, the Estimate received with letter, No. 172, dated 6th June 1863, from the Superintending Engineer, 1st Division, referred by you to this Office, under date 15th idem.

I have the honor of submitting copy of an Estimate for Rupees 613, with its Abstract and its Report, for ameliorations and additions to the two temporary Barracks, used as married men's Quarters, by the Royal Artillery, at Waltair.

Enclosures 4. 2. These ameliorations consist chiefly, in building up partition walls, nine inches thick, in brick and mud, between the spaces occupied by the various families within these Barracks; hitherto matting has been used for partition walls, and inconveniences have resulted from its use.

3. There are no funds available for this work in the Budget of the Vizagapatam District, consequently I recommend, that the expenditure be met by a grant from the Reserve Fund.

4. The Major General Commanding, whose letter* is attached, has both written and spoken so strongly on the advisability of at once completing this work, that I have taken upon myself, in anticipation of the orders of Government, to order the partitions to be commenced.
