 & Mr. Madras
 Sir,

I have the honor to request that measures may be taken for placing at the disposal of the Executive Officer of Nilgerry Range such a sum from the Private Contributions towards the Lawrence Asylum as shall suffice to defray the ordinary expenses of laying in Timber & Plant for the works; the Budget sanction of Rs. 30,000 being laid out in labor & materials on the spot.

2. Rs. 40,000 is required as an advance on account of seasoned Timber now lying in the Moodomalay Forest, and which if not now paid for to the Forest Department must be sold by them to private Merchants, in order that their receipts may tally with their Estimates - Rs. 10,000 may perhaps suffice for purchase.

Purchase and Carriage of Plant this
year. —
