Secretary to Government
P. W. D.

Sir,

With reference to the roll of soldiers who received
Certificates of Qualification at the last Annual Examina-
tion of the Civil Engineering College, published in the Fort St.
George Gazette of the 9th Instant, I have the honor to request
that Private R. S. S. S., 1st Kings Dragoon Guards, may
be appointed to the Cuddalore District, since the ferry
disrupted in October last, and whose pecuniary has not
been filled up.

2. The present Municipal Office at Cuddalore, and from
which that of the District is now to be situated, with pay
grants, and an increase in the number of Upper and lower
grades of absolutely necessary, with the reduced allocation
for this official year.

3. In large towns, like Pollampett, the superintendence
cannot properly superintend the numerous works
in progress, and at the same time make weekly pay-
ments. His whole time is now taken up in searching for
one work to and then making payments and measuring
works performed, whereas formerly a Sub Engineer performed
himself a considerable portion of this duty.

I have &c.
