*Proceedings of the Madras Government, Public Works Department,
5th January 1864.*

No. 53. Read the following Endorsement of the Superintending Engineer, 3rd Division, dated 26th December 1863:—

Read the following letter from Mr. J. CAIRNS, Supervisor Department Public Works, to Colonel E. HEMERY, R. E., Superintending Engineer, 3rd Division, dated Camp Raidrug, 21st December 1863, No. 54.

SIR,

1. as there is no place in this range where the records could be kept, I beg to inform you that I have been forced to leave them in Bellary, in a house that I have rented for that purpose for Rupees 8 per month. There are two old Travellers' Bungalows in the range where they could be kept on obtaining the Collector's permission, but even then I would have to keep two people on Rupees 4 each per month to look after them which would amount to what I pay for the house in Bellary; in addition to which the Travellers' Bungalows being in such out-of-the-way places, I consider the records would not be safe if kept in them, even with the aid of two people watching them.

2. I beg to take this opportunity of respectfully suggesting that the Estimate submitted by Mr. Wilson, for a temporary Office at Raidrug, may receive early sanction, and until such time as the temporary Office is built, I beg that you will be so good as to allow me to charge the house rent, viz., Rupees 8, in my monthly contingent bill.

Forwarded to the Secretary to Government Public Works Department in continuation of letters Nos. 237 and 245, dated 14th and 22nd December 1863.

(Signed) E. HEMERY, Lieut.-Colonel, R. E.,
Superintending Engineer, 3rd Division.
