

Public Works Department

No. 31

Official Memo.

I pass the statement submitted with the Controller's letter of June 3, 1863. It is observed that the expenditures incurred by the Chief Engineer & his office and the Municipal Commissioners during the years 1862-63 was \$17,987 and \$46,830 respectively.

The undersigned requests that Capt. McKiesau will be good enough to furnish him by the evening of the 10<sup>th</sup> Instant with full particulars of the works on which the sums have been laid out.
