*Proceedings of the Madras Government, Public Works Department,
6th January 1864.*

No. 69. Read the following letter from Lieutenant-Colonel C. V. WILKIESON, R. E.,
Controller and Auditor of Public Works Accounts, to Colonel C. A. ORR, R. E.,
Secretary to Government, Public Works Department, dated Madras, 17th December
1863, No. 2,127 :—

SIR,

1. In submitting for the consideration and orders of Government the enclosed bill amounting
to Rupees 43-0-2 for the construction of a revetment in Pereacolum tank
in the Madura District, I have the honor to state that on the receipt of the
bill in question and finding the work represented to be incomplete, I called
upon the Superintending Engineer, 8th Division, to send in a final bill for the same with clear
explanation as to the reason why it was executed on emergency, but Captain Moberly in reply
thereto explains in his letter dated 30th November 1863, No. 1,355, herewith forwarded, that
there is no work in progress under the Estimate of Rupees 112, that Assistant Supervisor
Venkataramiah is responsible for the execution of the work without Estimate, and that Lieutenant
Coningham (the Range Officer) found the bill as accounting for a portion of his outstanding
advances and forwarded it on.

2. Assistant Supervisor Venkataramiah has since been pensioned.

No. 70. ORDER THEREON, 6th January 1864, No. 32.

1 The Controller and Auditor of Public Works Accounts is authorized to pass the bill
amounting to Rupees 43-0-2.

2. The explanation furnished in regard to the delay in the submission of the bill, which if
is observed accounts for expenditure incurred in 1860-61, is very unsatisfactory, and the irregu-
larity in connection with the outlay is by no means creditable to the District Engineer or to
the Officer in charge of the range in which the work is situated.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
