Proceedings of the Madras Government, Public Works Department.
6th January 1864.

No. 74. Read the following letter from Captain E. A. FOORD, R. E., Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Tanjore, 15th December 1863, No. 1,373:—

SIR,

1. In accordance with the entry made in the Budget for repairs for the next year, I have the honor to submit for sanction an Estimate for an increased annual maintenance grant of Rupees 1,415 for the first 18 miles of the road from Trichinopoly to Woodiarpolliem.

2. The undermentioned sums have been sanctioned in the Order of Government No. 322 of the 29th February 1856, and entered in the Budget as the maintenance allowance for this portion of the road, viz:—

	RS.
From Trichinopoly to Sirdar 7½ miles at Rupees 60 per mile	420
From Sirdar to Kullagoody 10½ miles at Rupees 30 per mile	325
	745

And it is now proposed to increase the rate to Rupees 120 per mile, which for 18 miles amounts to 2,160

And the difference for which sanction is requested is ... 1,415

3. The line is increasing in importance every year, both as a Railway feeder and as the road by which the large quantity of Cotton grown in the country around Arealoor is carted to Trichinopoly and elsewhere; and the traffic return taken at two places on the line shows an average of 267 bandies daily, and in the dry months the traffic is said to be much heavier.

4. A great part of the road passes over black Cotton soil, and its conservancy is expensive owing to the distance from which material has to be carted, and I therefore recommend that the increased grant be sanctioned, otherwise it will not be possible to keep the road in good order.

No. 175. ORDER THEREON, 6th January 1864, No. 35.

The Government sanctions a maintenance allowance of Rupees 2,160 for 18 miles of the road between Trichinopoly and Kullagoody. The sanction granted in Orders of 29th February 1856, No. 322, for an allowance of Rupees 745 for this road will be considered cancelled. Provision will be made in the Budget of 1864-65 for the increased grant.
