*Proceedings of the Madras Government, Public Works Department,
22nd December 1863.*

No. 563. Read the following letter from Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Suttroosungaracottay, 16th December 1863, No. 1,512:—

SIR,

1. Referring to Government Order No. 3,612 of 8th instant, I have the honor to observe that the following Salt roads in Tinnevely have been entered in the Statement of roads to be made and the cost of construction is roughly estimated as inserted:—

	RS.
Manjakolum to Etyapur	26,000
Streevyguntum to Palaya Coil	15,000
Carapad to Tuticorin... ..	4,000
Arambuly to Trichendur	88,000
Palamcottah to Trichendur	16,000

2. I have already incomplete the Trunk Road from Madras and the road from Palamcottah to Tuticorin; for expenditure on both of these important lines entries have been made in the Budget to, I believe as large an amount as the Government will be able to allot.

3. I beg that I may be allowed to postpone the Estimates for Salt roads until we are likely to have further funds available or after the completion of the roads already began, and for the continued progress of which arrangements have been made.

4. If the Government consider it advisable to defer these two roads and to take up the Salt roads in preference, I beg that you will favor me with early instructions.

No. 564. ORDER THEREON, 22nd December 1863, No. 3,797.

The Government declines to authorize the postponement of the preparation of the Estimates called for in G. O. No. 3,612, dated 8th December 1863, or to defer the construction of the roads mentioned in paragraph 2 of this letter. The Superintending Engineer, 8th Division, will accordingly give his immediate attention to the preparation of the Estimates, and submit them for the sanction of Government with the least practicable delay.
