FORT WILLIAM, (Signed) J. L. LUSHINGTON,
The 5th October 1863. Officiating Auditor General of India.

(True Copy)

(Signed) J. MACKEY,
Acting 1st Asst. Accountant General.

ORDER THEREON, 16th December 1863, No. 1392.

In the Order of Government, 4th December 1861, No. 1602, Public Department, it was decided that all receipts on account of the People's Park should be credited to, and all outlays on the same account treated as payments from, the General Revenue of the State. It was further intended (paragraph 6) that the expense for establishments and for work connected with the Park should be debited

For work	Rupees 35,950
„ Establishment	„ 3050
	<u>Rupees 39,000</u>

to the Public Works Budget Accordingly, in June 1862, estimates, as per margin, were sanctioned in that Department, amounting to Rupees 39,000 for the year 1862-63.

2. In the Proceedings, above recorded, of 22nd July 1863, No. 2000, Department Public Works, it is observed that charges on account of establishment, &c., for the Park are not properly debitable to grants made in the Public Works Budget, especially as the amount realized by the sale of hay in the Park is credited to the General Revenue of the State; and it has now to be determined from what source such charges should be defrayed in the current and ensuing years.

3. Before passing final orders on this point, the Governor in Council resolves to request that the Committee of the People's Park will furnish a Statement of the establishment at present employed, distinguishing that part of it which will always be required to keep the Park in order from that part which may be said to be still employed in constructing and completing the works in the Park, and which, after those works shall have been completed, will no longer be required.

4. Application will then be made to the Government of India for their sanction to the permanent establishment, and for their instructions as to the head of Account under which the charge should appear

5. The charges to be incurred in completing the works in the Park will be paid from the Public Works Budget.
