FINANCIAL RAILWAY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated 18th November 1863, No. 3391.

I have the honor to forward for transmission to the Consulting Engineer for Railways, a report of progress on the several Railway Feeders in the 4th Division for the quarter ending 31st July 1863.

Accompaniments:
1 Statement.

2. The report for the quarter ending 31st October 1863, will be submitted as soon as the necessary returns have been received from the Range Officers. I should be glad if you will inform me if the returns now forwarded are what are required, as it has recently occurred to me that it would be more correct to report only on the Feeders absolutely in progress.

ORDER THEREON, 17th December 1863, No. 675.

The report received with the foregoing letter will be communicated to the Consulting Engineer for Railways.

2. The Governor in Council approves of the suggestion made by Colonel Boileau that only the Feeders actually in progress shall in future be included in the Progress Reports, but a list of the other Feeders ordered to be constructed should be added to each report.

3. These reports should in future be submitted through the Secretary to Government in the Public Works Department.
