No. 321. Read the following letter Captain E. A. FOORD, R. E., Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Tanjore, 7th December 1863, No. 1,314:—

SIR,

1 Abstract Estimate.
1 Report.
1 Plan.

1. With reference to the Order of Government, No. 3,425 of the 23rd November, I have the honor to forward a Plan and Estimate, the latter amounting to Rupees 8,400,

for constructing a Talook Cutcherry and Police Station at Trichinopoly.

2. A sum of Rupees 8,400 has been allowed in the Budget for this work, and Rupees 4,000 for expenditure in the ensuing year. It will be observed that the amount of the Estimate is Rupees 400 in excess of the sum stated in the Proceedings of Government above referred to, and this is owing to the addition of an inner verandah to the original Plan, as desired by the Board of Revenue in their Proceedings of the 20th April 1863, No. 2,265.

Referred to the Revenue Department, with reference to the Order in that Department, No. 2,063, dated 17th November 1863.

Chepauk,
14th December 1863.

(Signed) C. A. ORR, Colonel, R. E.,
Secretary to Government, P. W. D.
