*Proceedings of the Madras Government, Public Works Department,
24th December 1863.*

No. 625. Read the following Memorandum from the Consulting Engineer for Irrigation and Canal Company, dated Saint Thomé, 15th December 1863, No. 120:—

Read the following letter from Colonel H. C. COTTON, Chief Engineer, to J. S. N. BUDD, Esq., conducting the duties of Agent's Office, Madras, dated Kurnool, 30th November 1863, No. 936.

SIR,

In compliance with the request of the Consulting Engineer, 2nd paragraph, his letter No. 411, 17th instant, I beg to say that I propose shortly sending in a revision of the present organization of the Establishment to take place, 1st January 1864, up to which period the full Establishment of the Bellary Division including the Reservoir Survey will not be made up. Mr. Cotton who now directs the Survey will probably return to the Nagatore Division about that time, but these changes must depend on the progress made by Mr. Gordon and his present Assistants in the exploration of the country to the westward, and on the progress of the Reservoir Survey.

No. 1,721.

Forwarded in reply to the Consulting Engineer's No. 411 of 17th November 1863.
