Dr.

I have the honor to forward an original letter from Mr. Roberts Asst. Engineer, applying for two months privilege leave. Mr. Roberts has charge of the 4th Range in the Tanjore District and since his letter was written Lieutenant Mead who has charge of the 3rd Range has obtained two months leave. Although Mr. Roberts has particular reasons for applying for leave at the present time I cannot recommend that it be granted unless another Officer, or Executive Agent be sent to this District in his place.
