

No. 1208 Sup^r Engineer's Office 8th Division
Madras 18th November 1862

From,

Captain F. J. Moberly R. E.
Superintending Engineer 8th Division

To,
Colonel G. A. Orr R. E.
Secretary to Government P. W. D.

Sir,

1. I have the honor to request the consideration of Government to para 7 of the rules issued by the Auditor in his Circular No. XXIII of the 18th instant.

2. This rule will entail a submission by me to Government of an estimate of money required, on its return the forwarding to my Range Officer a letter of authority sanctioning his issue among others of a cheque payable to myself.

3. Beside this additional trouble, delay and inconvenience are likely to be caused through the greater part of the year by the absence from their Head Quarters of the Superintending Engineer and Range Officers.

4. There is no advantage to the Controller or Government in this course for the Account Current eventually does not show who drew the money. All Account Currents of Range Officers are compiled in the Superintending Engineer's Office.

5. I trust that the Government will be pleased to order the alteration which the Controller made in his first issue to the effect and that the Superintending Engineer should pay themselves precisely as the Range Officers do.

I have &c

F. Moberly
Superintending Engineer 8th Division
Captain R. E.

1897 1866 A. D. 9th
No - for 1866 12, 1708
