

I have the honor to acknowledge the receipt of your letter of the 11th inst. in relation to the appointment of a Civil Engineer to the Department of Public Works, and in reply to inform you that the same has been forwarded to the Department of Public Works for their consideration. I am, Sir, very respectfully, Sir, your obedient servant, J. H. [Signature]

deal of energy lately, in getting together
 a large amount of labor, for the channel
 from the Pinery Ancient. He is also well
 acquainted with the original project.
 13th March 1862
 District Engineer

Mr. Moore sawing closely was seen
 Overseer under my orders for a period of five (5) years
 and I am able to speak highly of his conduct, I
 always found him an honest and well conducted
 man. He is perfectly acquainted with all his
 duties, is an excellent estimator, Surveyor, leveller,
 and super of large works, and his without exception
 the most efficient Overseer I met with during
 the time I belonged to the D.P.W. a period of three
 years.

I hope this testimonial may be of
 service to him, and lead to secure him promotion
 in the new Department, as mark of merit he
 quite deserves.

Yours faithfully
 Signed W. H. Watts Major
