Memorandum.

The Superintending Engineer & P.
Division has the honor to request that all Plans
submitted by him to Government for sanction may
be returned to this Office with the orders thereon,
as the ^{Drawing} Establishment is quite
insufficient to keep copies of all, and the Super-
intending Engineer's Office may naturally be
considered the proper depository of all plans.

12/14/86

The Supt. Engineer, 4th Div.

will be informed that documents have been
sent frequently to refer to Plans of detached
works it should be convenient to return

of original plans, drawings (which it is
believed can be rapidly made) may be
