Public

In acknowledging receipt of N^o 3324 of the 16th Instant, I have the honor to observe that Mr Smith's complaint is applicable to the Revenue Subordinates towards the Officers of the S.P.W. to, I believe, a very considerable extent.

2. Neither in South Canara, Madras, Madras nor Sinnerelly have any of the Native Dy. Collectors called on me except in 2 cases where business required personal explanation.

3. It is much the same with the Chasidans e.g. of Madras my Head Quarters, and Sinnerelly though I spent 4 days at Palamcottah.

4. I believe that my Range Officers have as little knowledge of the Deputy Collectors - as was shown by Mr. O'Ratigan in the case quoted by Mr. Silver in his letter to Government N^o 508 of 20th 11/63.

5. I only mention the matter now as the Government appear to be under the impression that the members of the S.P.W. are wanting in cordiality.
