My Dear Hutchins

As I hear that the D.P.W.
is likely to revert to its old organization,
I write to ask you to solicit the Governor
to consider first, the claims of those
who suffered by the recent change. I have
less hesitation in making this appeal,
as I am sure Mr. Hally Puce
my Father, and would not, I am sure,
obstruct my advancement. I find it
very hard to live on \$24 a month
with my family, and I would there-
fore be much obliged if you, while
in office, would bear me in mind
in the event of any opening, for

while I like the work in the D.M.,
and its knocking about, still, for
Mrs. Fryer's sake, I would prefer
something more domestic, and only take
it for something to do. What do
lightful mornings we are now
enjoying. And your having much
cricket I was glad to see you
appointed Private Secretary. I
hope you will hold it for some
time - and that you may have a
big bag when you go home. With kind
regards.

Yours. Sincerely
