Memorandum

No 16 of
2^d December
1863.

With respect to the Official
Memorandum from the Secretary to
Government Department Public Works
marginally noted, the undersigned
does himself the honor of stating that
the Board of Revenue has only just
furnished him with a plan for the
Amlapore Cutchery, based on which
an Estimate is now being prepared in,
which will shortly be submitted.

Neither the Board of Revenue
nor the Inspector General of Police
approved of the plan of the Amlapore
cutchery and Police station house
combined, designed by Major Stoddard
and recommended by Messrs Purvis
and Morris: They have sent to this
Office, to estimate from a design for
a large cutcha Building not well
suited for Amlapore, a village sit-
uated in alluvial soil near the
extremity of the Godavari Delta.
