Superintending Engineer's Office 6th Division
Tanjore, 28th September 1863.

From
Captain E. A. Foord R. E.
Superintending Engineer, 6th Division

To
Colonel C. A. Orr R. E.
Secretary to Government D. P. W.

Sir,

In reply to the last para of your letter No. 158 of the 24th September, I have the honor to inform you that I have taken charge of both the Districts which form the Sixth Division, but I have left the Clerks of the late District Engineer's Office with Captain Palmer to assist him in making up the bills of the past year, the greater part of the expenditure having been in the Trichinopoly Taluq of which he now has charge.—

Another reason for my leaving the Clerks there is that the building that I have for an Office at Tanjore is so small that it scarcely accommodates the number of Clerks now in it. I expect

to

to get a much larger building in a few days and then I can bring the Clerks and the Records of the Trichinopoly District to the Head Quarters of the Division. Besides which, the Storekeeper of the Division is at Tranquebar and Stores of great value are at Trichinopoly and no second Store-keeper being allowed, Government in their order as per margin× directed that, the [illegible] Superintending Engineer should make the best arrangement he could, and this seemed to me to be the best arrangement.—

×No. 2396 dated 24th August 1863
