It is observed from the
Supplemental list of incomplete work
in the Bellary District submitted by
the Superintending Engineer P. Division
on the 5th Instant, that a sum of
Rupees 1050 is proposed for expenditure
in improving and raising the bund
of the Camlapur tank. In support
of the entry the authority of the Chief
Engineer is quoted. Lieut. Colonel
Hemery is requested to state whether
the work ever received the sanction
of Government.

With the exception of
the

the item entered in the margin, } Road between
all the works entered in the } Sledcrane and
Corracoonah

List were sanctioned during the
year 1862/63 but no expenditure
appears to have been incurred
on any of them. The Order in
pursuance of which the statement
is submitted called for a list
of works in progress; such works
therefore should only have been
entered.
