Proceedings of the Madras Government, Revenue Department,
19th December 1863.

No. 343. Read the following letter from Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR; R. E., Secretary to Government, Public Works Department, dated Madura, 7th December 1863, No. 1,431:—

SIR,

1. The charge of the avenues having been made over to the Revenue Department, I trust that some steps will be taken to ensure future planting as well as the strict conservation of the existing trees.

2. In Madura I have rather to complain of too much planting, as the Revenue Officers are putting down trees on the road slopes and surface and in the compounds of the Travellers' Bungalows, much to the benefit of the mosquitoes and the annoyance of travellers, but in Tinnevely I cannot find that any thing is being done, and we are likely to find the same difficulty on any other large work as we have had at Satur.

Referred to the Revenue Department.

1. Transferred to the Board of Revenue for disposal.
2. With reference to paragraph 2 of Captain Moberly's letter the Government observe that avenues are not planted with a view to provide fuel for Public Works.
