Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Public Works Department, dated Madras, 7th January 1864, No. 4,404:—

SIR,

1. Observing from one of the Estimates (No. 9) sanctioned in the Proceedings of Govern-
ment, No. 3,576, dated 4th December 1863, for the proposed
3 Plans.
11 Estimates. water-works at Guindy, that the several articles provided for
therein such as iron pipes, tubes, sluice cocks, fountains, &c., will have to be obtained from
England, I have the honor to request that the necessary application may at once be made to the
Home authorities for their despatch to this country in order that there may be no delay on
their account in carrying on the works.

2. I have also to request that I may be informed whether the execution of the works is to
be entrusted to the Special Executive Engineer, Mr. Fraser, or to the Executive Engineer at
Saint Thomas' Mount.

3. The Plans and Estimates which accompanied your Memorandum of the 11th December
1863, are herewith returned.

No. 244. ORDER THEREON, 13th January 1864, No. 119.

1. The Superintending Engineer, 4th Division, will be informed that application has been
already made to the Home Government for the early despatch of the articles mentioned in
