*Proceedings of the Madras Government, Revenue Department,
23rd December 1864.*

No. 281. Read the following letter from F. LUSHINGTON, Esq. Deputy Auditor and Accountant General, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Fort Saint George, 23rd December 1864, No. 172. —

Sir,
1. I have the honor to transmit, for your information, copy of a Telegram, which I have this day received from the Financial Secretary, and to request you will have the goodness to issue the necessary orders to the Departments and Officers concerned, in view to the early submission of their Local Funds Estimates to this office through Government. Very few Estimates have as yet reached this Department for 1865-66.

2. I take this opportunity to state that the Budget Estimates of several Departments for 1865-66, on account of the Public Revenue and Expenditure, have not as yet been furnished to me, and that as there has been comparatively much greater delay this year than in the last, I fear that the Government will not be able to send in their Estimates to Calcutta by the date they are expected there.

From the Financial Secretary, Calcutta, to the Deputy Auditor and Accountant General, Madras, dated 22nd December 1864.

Take particular care to send the Budget Estimate of Local Funds for 1865-66, at the same time with the Budget Estimate of the Public Revenue and Expenditure, so as to reach this Office on 31st January next.

(True Copy.)
