*Proceedings of the Madras Government, Public Works Department,
5th January 1865.*

No. 23. Read the following letter from Captain J. BEAN, R. E., Officiating Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Tanjore, 14th December 1864, No 2,205 :—

SIR,

1. In reply to the Order of Government No. 3,541, dated 12th December 1864, I have the honor to state that Captain Palmer, Executive Engineer, having represented to me that the Devadanam burial ground in Trichinopoly required emergent repairs on account of the intention to consecrate it, I directed him on the 9th instant to revise the estimate of Rupees 620 if possible, in order that I might appropriate a small sum from the Trichinopoly allotment for buildings.

2. As, however, I could only raise about Rupees 200 from this source, and I have permission to transfer from the Tanjore current Budget the requisite sum, I have directed the Executive Engineer Trichinopoly to proceed with the work, which can be met by the necessary appropriation from the allotment of Rupees 10,000 for "River improvements."

No. 24. ORDER THEREON, 5th January 1865, No. 12.

The Government sanction the transfer of Rupees 620 from the repair allotment under "Communications" in Tanjore to that under "Civil buildings" in the Trichinopoly District.
