SIR,

1 Bill
1 Letter to the Collector.
1 Letter from do.

1. I have the honor to forward, for the orders of Government, the accompanying correspondence relative to a charge of Rupees 85-1-8,

for compensation to one Rantu Mahanti Venkatanarayana, Inámdar, in lieu of Inám land taken up by Government for the construction of an embankment in the village of Razala, in the Survasiddy Taluq, Vizagapatam District.

2 The Deputy Collector of the District forwarded the bill to this Office for the purpose of being passed. Captain Buckley, Officiating Controller, returned the bill to the Collector, requesting him to forward it to the Superintending Engineer, 1st Division, with a view to that Officer pointing out how the charge was to be met; and also to exhibiting the same in the accounts rendered to this Office, which the Collector did

3. The Superintending Engineer states in his reply to that Officer that there are "no funds available in the current year from which the charge can be met," and returned the bill to the Collector, who has again forwarded it to me for disposal.

4. As the bill is for money actually paid, I am of opinion that the Superintending Engineer must point out a source from which it can be met, in order to the charge being debited in 1864-65 to the Public Works Department.

The Superintending Engineer, 1st Division, will be requested to ascertain and report when, and for what particular work the land referred to in this letter was taken up, and whether compensation for it is included in the amount, viz., Rupees 25,427, which the Government of India have been requested* to sanction as an additional grant to the Vizagapatam District.
