*Proceedings of the Madras Government, Public Works Department,
9th January 1865.*

No. 86. . . Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Coonoor, 17th December 1864, No 209:—

SIR,

With reference to Section 13 of Chapter XXV of the Public Works Code, and the fact that application has been made, and money lodged, for the purchase of Sergeant Nordman's discharge from the Corps of Sappers and Miners, I have the honor to recommend that he be retained in the Department Public Works in the rank already attained by him, viz., that of Supervisor 2nd Class.

No. 87. ORDER THEREON, 9th January 1865, No. 42.

The Superintending Engineer, 7th Division, has omitted to support his application on behalf of Supervisor Nordman by "positive and unexceptionable testimony to character," as required under paragraph 13, Chapter XXV of the Code; but as Serjeant Nordman has always borne a good character, and has proved himself a highly efficient subordinate, having lately been selected for a most important charge (the North Wynad Range) in the Malabar District, the Governor in Council is pleased to authorize his retention in the Public Works Department in his present position, on his obtaining his discharge from the Army.
