*Proceedings of the Madras Government, Public Works Department,  
13th January 1864.*

No. 236. Read the following letter from Lieutenant-Colonel J. C. ANDERSON, R. E.,  
Superintending Engineer, 2nd Division, to Colonel C. A. ORR, R. E., Secretary to  
Government, Department Public Works, dated Masulipatam, 22nd December 1863,  
No. 38:—

SIR,

1. With reference to G. O. No. 3,690, dated 14th December 1863, requiring further expla-  
nation regarding certain transfers proposed from surplus allotment for Nellore tank, I have the  
honor to report that the Estimate for Veeranah Canupur Calingulah should be Rupees 5,460, as re-  
marked by Government in paragraph 2, that there was no allotment for the "Restoration of Ramasa-  
garum tank" though an expenditure of Rupees 885-5-4 had been incurred as described in remarks  
of the Statement appended to my letter No. 30; further that Rupees 3,000 is probably as much  
as the Range Officer will be able to expend on the Edur branch of Jaffer Sahib's Channel in  
addition to Budget allotment.

2. The proposed transfers would then stand as follows:—

|                                           | RS.          |
|-------------------------------------------|--------------|
| Calingulah Veeranah Canupur Tank ... ..   | 4,774        |
| Restoration of Ramasagarum Tank ... ..    | 1,096        |
| Edur branch Jaffer Sahib's Channel ... .. | 3,000        |
|                                           | <u>8,870</u> |

3. I would beg that the balance of the allotment to the Nellore tank, namely, Rupees 5,283,  
may remain untouched for the present, as Lieutenant Smith is occupied in revising the Estimate  
for its improvement, and as it is possible he may be able to expend the greater part if not the  
whole of the amount on that work.

No. 237. ORDER THEREON, 13th January 1864, No. 115.

1. On the explanation now afforded the Government sanctions the appropriation of a sum of  
Rupees 8,870, in the manner proposed in paragraph 2 of the  
foregoing letter from the current year's allotment\* for the  
Nellore tank.

\* Rupees 17,100.

2. Lieutenant-Colonel Anderson is requested to submit proposals at an early date for the  
appropriation of the balance still available from the Nellore  
tank allotment.†

† Rupees 5,283.

Sir,

With reference to G. O. No 3690  
dated 4<sup>th</sup> December 1863. requiring further  
Explanation regarding certain transfers  
proposed from surplus allotments  
for Nellore Tank, I have the honor  
to report that the estimate for Verana  
Camp per Chingalah should be 5460,  
as remarked by Government in para 2;  
that there was no allotment for the Resto-  
ration of Ramasagarum Tank though  
an expenditure of Rs 885-5-4 had been  
incurred as described in remarks of the  
Statement appended to my letter No 30;  
further that Rs 3000 is probably as much  
as the Range Officer will be able to expend  
on the Edur Branch of Saffer Sahib Chinnu.

in addition to Budget allotments.

2. The proposed transfers would then stand as follows—

|                                    |       |
|------------------------------------|-------|
| Caligalah Varanah Camp for Tent C  | 477 4 |
| Restoration of Ramnagar— Tent C    | 109 6 |
| Edur Branch Jaffer Sahib's Channel | 3,000 |

|                                    | 8870. |

3. I would say that the balance of the allotment to the bellare Tent C namely Rs 5,283 may remain untouched for the present, as Lieut Smith is occupied in revising the estimate for its improvement, and as it is possible he may be able to expend the greater part if not the whole of the amount on that work.
