Colonel A. J. M. Baileau, R.E.

Suff. Engineer, 4th Div.

To,

Colonel C. A. Orr, R.E.

Secretary to Government, P. W. D.

Sir,

With reference to your Memorandum N^o 36 dated 8th January/64, I have the honor to inform you that Overseer Mooneswamy Mudali of the Chittoor Range North Forest is quite willing to proceed to Tanjore if permanently appointed to the rank of Supervisor, but submits that it would be a grievance to be sent there if only promoted to act in that capacity.

2. Under any circumstances, however, I would observe that his withdrawal from Chittoor would cause much inconvenience and prove very disadvantageous to the interests of the Public Service. This Subordinate has now been employed in the Chittoor Range for a considerable time and has made himself thoroughly acquainted with the works in progress and has given me general satisfaction.

Continued

Continual changes have proved a great
evil in the North West District and the work of a
Superintending Engineer, (already very far in excess
of what ~~they~~^{he} can properly attend to) is added to by having
to cater for new Comers. I trust therefore that without
depriving Moonesamy of his promotion, he may obtain it,
and be allowed to remain in his present District, and
Range.
